

# CHIJINDU OKPALANWEZE

Web Developer

## SUMMARY

Full-stack web developer with hands-on experience building scalable, responsive, and user-focused web applications using React, Next.js, TypeScript, Prisma and Tailwind CSS. Skilled in both front-end and back-end development, authentication and modern UI/UX design. Adept at solving real-world problems through clean, maintainable code and efficient project management.

## PROJECTS

### QUICKCART E-COMMERCE

Next.js | MongoDB | Clerk | Tailwind CSS | Cloudinary

- Developed a **full-stack** E-commerce platform with seller dashboard.
- Integrated Google authentication using **Clerk**.
- Implemented a modern UI/UX while maintaining responsiveness across different device sizes.
- Designed intuitive seller interface for managing products.

### ADMIN DASHBOARD

React | Refine | Ant Design | GraphQL

- Developed a dynamic admin dashboard for company and sales management.
- Built interactive charts and Kanban board with drag-and-drop features.
- Implemented full CRUD with advanced filtering and pagination.

### STORY FLOW BLOG

Next.js | TypeScript | Prisma | PostgreSQL | NextAuth | Cloudinary | Tiptap

- Developed a **full-stack** blog with role-based access, rich-text editor (Tiptap), and media upload.
- Built an admin dashboard for managing users, post and analytics.
- Designed and managed a structured database using Prisma ORM with Neon PostgreSQL, optimizing queries and ensuring data consistency.

### WEATHER API APP

React | Vite | WeatherAPI

- Developed a weather checker app that fetches live data via external API.
- UI dynamically changes background based on weather status.

## WORK EXPERIENCE

### INFORMATION TECHNOLOGIST / DATA ENTRY CLERK

ISP Computer Institute – Kano, Nigeria. (June - December 2019)

- Achieved accuracy in data entry while maintaining data integrity and minimizing errors, contributing to improved overall data quality.
- Managed records using Microsoft Office and database management systems
- Developed attention to detail and task prioritization under deadlines.
